INSTRUCTIONAL COACHING opportunity at Breakthrough San Francisco this summer!

BREAKTHROUGH IS SEEKING TEACHERS WITH 3+ YEARS OF EXPERIENCE TO MENTOR OUR COLLEGE-AGED TEACHING FELLOWS AS THEY TEACH MIDDLE SCHOOL MATH, SCIENCE, LITERATURE, AND WRITING FOR 8 WEEKS THIS SUMMER

WHAT IS BREAKTHROUGH?

Breakthrough San Francisco supports young people in San Francisco on the path to college and trains outstanding college students for education careers. Founded in 1993, we are a community involvement initiative of San Francisco Day School, and one of two dozen affiliates of Breakthrough Collaborative. Our 2016 summer program will serve 140 rising fifth - eighth graders and 32 aspiring educators.

WHAT IS AN INSTRUCTIONAL COACH?

During our summer program, we hire professional teachers to mentor our college-aged teaching fellows through their first classroom experiences. Coaches observe teaching fellows, give feedback, provide professional development, and meet in small departments to plan lessons and learn instructional skills. Under the guidance of their coaches, teaching fellows grow tremendously, and many go on to pursue careers in education.
